

CONVENIENT ONLINE TOOLS

Manage your health from anywhere at any time

Track your health and benefits on your schedule

Are you overwhelmed at the thought of managing your health and your health benefits on your own? Put your worries to rest. The helpful tools and resources available at myahatpa.com can make it easier to help keep your health on track. When you log on to myahatpa.com you can:

- email or print temporary ID cards, or request additional ID cards;
- see a summary of your benefit plan;
- check on your claims;
- confirm benefits enrollment for yourself and eligible family members.

Find a Provider Tool

This tool helps you make confident decisions about your health. In just a few clicks, you can identify network doctors, hospitals, and other medical facilities.

WebMD Tool

Estimate the costs for common conditions and different health plan options; and access reliable health information, using online tools such as:

- **Treatment Cost Estimator** — Estimate costs for common conditions so you can plan for health expenses.
- **Hospital quality reports** — Find hospitals that match your location and preference.
- **Personal Health Record and Profile** — Assess your wellbeing and get feedback on ways to improve. Plus save, manage, and access your health care history.
- **My Health Assistant and Trackers** — Track your blood pressure, cholesterol, body fat, and more. And get help creating weekly goal plans.

We're here to help you
